

ANNOUNCEMENT

To keep the general masses aware of the change in the water levels at various locations the I&FC Department has been continuously disseminating flood related information pre-2014 flood through its Facebook page (*Irrigation and Flood Control Department, Kashmir*) and more recently through its mobile Android Application. People are advised to keep a constant watch of our social media pages and Android Application. The address of our Website, Android Application and social media pages are as following –

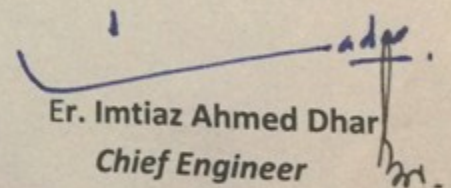

- Website – www.ifckashmir.com
- Android Application – *IFC KASHMIR FLOOD ALERT*
- Facebook page - *@ifckashmir*
- Twitter page - *@ifckashmir*

The Flood Alert and Flood Declaration levels with respect to gauge readings at Sangam, Ram Munshibagh and Asham are as following –

Gauge Site	Flood Alert Level	Flood Declaration level	Remarks
Sangam	18 feet	21 feet	Effect South Kashmir
Ram Munshibagh	16 feet	18 feet	Effect Central Kashmir
Asham	13.5 feet	14 feet	Effect North Kashmir
