Regarding the BOQ template it is clarified that the amount to be entered by the bidder against S.No:- 01 of the BOQ may be kept blank , which is actually showing the name of work/assignment only. However if the column is filled by the bidder the “Total cost of the assignment (Inclusive of all taxes within or outside state)- value of the work” will be taken as shown at S.No;- 02 of the BOQ only . The clarification became necessary to mention due to technical error in the BOQ template and as per the queries raised by the intending bidder(s).

**The clarifications are issued & uploaded on e-procurement portal <http://www.jktenders.gov.in> & also on departmental Web site “[ifckashmir.com](http://ifckashmir.com)”.**

**also on for general information of all concerned.**

We shall look forward for your
