The bids should reach the office of the Chief Engineer, Kashmir Irrigation & Flood Control Department, Srinagar, on or before **22/09/2015** up to **2.00 P.M** and shall be opened on the same date or any subsequent date convenient to the opening authority in presence of the bidders who may choose to be present at the time of opening of bids.

**TERMS & CONDITIONS**

1. The bidders should quote the bid amount in lump sum.
2. Caution money in the form of C.D.R on any scheduled bank pledged to the bid receiving authority, should accompany the bid.
3. The quantity of earth as shown above, though tentative, is the maximum that can be allowed to be lifted within the quoted/accepted bid amount. Cutting shall be as per earth deposition profile at the time of start of actual removal to be recorded and authenticated by Engineer I/C and the successful bidders. Excavation profile shall be worked out accordingly. Quantity over and above, shall be allowed pro-rata, subject to requirement of the department and proper authority
4. The successful bidder shall have to deposit full bid amount in one installment immediately after issuance of authority letter and prior to start of earth.
5. The successful bidder shall have to start the lifting of earth within three days from the date of issuance of allotment.
6. The successful bidder shall have to make adequate arrangements for removal of earth to the extent of advertisement before the water level in the **Flood Spill Channel** rises.

## Page no. 2

7. The successful bidder shall take measures to maintain pollution free environment to the possible extent, in and around the area.
8. The amount of bid shall be forfeited in case the bidder fails to lift the earth within the stipulated time.
9. The extension of the time of completion shall be permissible only in case of bad weather or other un-avoidable circumstances.
10. Any violation of these conditions shall be at the risk and responsibility of the successful bidder and shall entail cancellation of contract and imposition of penalty up to 10% of the bid amount or cost of restoration of the damages caused, whichever is higher.
