CERTIFICATE OF FAMILIARISATION TO BE PRODUCED ON JUDICIAL STAMP PAPER

- I/We hereby solemnly declare on oath, that I/We have visited the Dumped site(s) of Dredged out material, and have familiarized Myself / Ourselves of the working conditions there in all respects and in particular, the following:
- Topography of the Area.
- Quality / Quantity & composition of dredged material and I/we are fully satisfied with the quantity/quality vis-à-vis the appended contour map supplied to me with the purchased document.
- Availability of local labour, both skilled and unskilled and the prevailing labour rates.
- Availability of water & electricity.
- The existing roads and access to the site of work.
- Availability of space for putting labour camps, Offices, stores, etc.
- Climatic condition and availability of working days.
- Law & Order, Security & Working conditions.
- Timing of no entry for tippers in the city.
- Amount to be paid as royalty towards Geology & mining department.
- Methodology to be adopted for successful completion of work without hampering environmental conditions.
- Working hours and shifts for completing the work.
- That I/we will follow the rules and regulations as lay down in the Bid document.
- That I/we will not claim any alternate conveyance of road if during operation the existing road connectivity will face any kind of hamper and at all level it will be my sole responsibility for arrangement of road at my/our cost / risk & responsibility.
- That I/we will arrange the road accessibility from main road up to Dyke if not found available at site of the Dyke.
- That I/we will not claim any kind of compensation if during the operation of dyke I/we will face any kind of technical / financial snag / mishap.
- That I/we are bound to restore the damage(s) if any happened during operation of Dyke, prior to release of my CDRs.
- That I/we will oblige all the labour laws as laid down in JK labour Act while operation of Dyke.
- That I/we are bound to obey the instructions of Engineer in-charge during operation of the Dyke.
- That I/we are submitting the purchased contour map of the Dyke with full authorization that I/we are fully satisfied with the levels viz-a-viz existing observed profile of Dyke.
- I/We have quoted my / our Lump sum amount for dredged out material & while taking into account all the factors given above.
