- 3.** The tenderer (s) shall have to quote separately for each item strictly in conformity with the terms and conditions of the tender notice.
- 4.** Conditional tenders shall be rejected even if the rates offered are found to be lowest. Tenders with the conditions such as 'Subject to Market Fluctuations' will also be rejected.
- 5.** The tender documents are non-transferable.
- 6. Inter-dependent Tender:**
Tender(s) which are dependent upon the quotations of other shall not be entertained.
- 7. Expenses for Tendering :**
The tenderer(s) shall not be entitled to any claim towards expenses incurred on incidental at the time of submission of the tenders or subsequent evaluation/ clarifications thereof.
- 8. Earnest Money :**
The tender(s) shall be accompanied with earnest money amounting 2% of tendered amount in the form of CDR/FDR from a scheduled bank pledged to Executive Engineer MICD, Srinagar.

Tenderers should carefully note that:-

- i) Tenders not accompanied with requisite amount of earnest money shall not be entertained even if the rates offered are found to be lowest.
- ii) No exemption or concession towards furnishing of earnest money will be given to the tenderers registered with DGS&D/NSIC Small Scale Units except the Small Scale Units registered with Director, Industries and Commerce Department J&K in which case guidelines framed by Industries Department shall apply.
- iii) The tenderers should bear in mind that the tender should be accompanied with fresh CDR/FDR towards the earnest money, reference or claim of the firm for consideration of CDRs/FDRs already lying in the MICD Srinagar, towards earnest money with this tender, will be out rightly rejected.

9. Earnest money shall be refundable to unsuccessful tender(s) only after finalization of the tender and shall be retained in case of successful tenderer(s) which shall be treated as security deposit to be refunded after the successful completion of the supply/works or warranty term as the case may be.

The earnest money of the tenderer(s) who back outs or withdraws his tender or fails to abide by its offer after the acceptance is conveyed or posted to the addressee, shall be forfeited to the Government of J&K state besides other remedies available to it under any law being enforce in the State to recover the extra cost, if involved in getting the supply executed through some other agency, at defaulters risk and cost.

10. Opening of Tender:

Tenders shall be opened by the Executive Engineer MICD, Srinagar in his office chambers on the due date or on any other subsequent date convenient to the Tender Opening Committee in presence of tenderer(s) who may wish to remain present at the time of opening of tenders.

11. The Executive Engineer MICD, Srinagar shall have the discretion to cancel the work order at any time during its currency in case of default on the part of any supplier and make such arrangements as may be warranted by the situation at the risk and cost of the supplier.

12. The Executive Engineer MICD, Srinagar reserves the rights to accept or reject any or all tender(s) in part or full without assigning any reason thereof.

13. The tenderer(s) should bear in mind that if it comes to the notice of Executive Engineer MICD, Srinagar that they have within the specified period offered lower rate to any other party within the territorial limits of J&K State fall clause would be applied and processing's will be started for effecting recovery of the difference for entire supply besides action initiated to black list the firm within the jurisdiction of the J&K State.

14. Validity of Rates:-

The rates approved shall remain valid for contract term of one year from the date of issue of job order

15. Site Visit:-

The firms are advised to visit and inspect the site well before casting its tender. The firm should be well versed with the site conditions / working site / terrain and difficulty level in execution of the job. The layout / drawings / detailed description of the work in question can be had from the concerned Asstt. Ex. Engineer.

16. Prices:

The tenderer(s) are required to quote net landed rates for the complete work F.O.R site the prices shall be inclusive of all taxes, duties, levies, transit insurance, handling charges, all incidentals at site, etc., as applicable in J& K State etc.

The Rates quoted In **BOQ** should be net landed rates for works executed at site of work inclusive of:

- a) Central Sales Tax (If Applicable}
- b) Value Added Tax (If Applicable)
- c) J&K State Entry Tax (If Applicable)
- d) Toll Tax (If Applicable)
- e) Freight Charges from station of dispatch including Transit Insurance, Carrying, Forwarding, Loading and Unloading of material at destination.

No extra claim towards any of above items shall be entertained in any case.

The tenderers should not quote/ mention any of above item as : *"as applicable at the time of supply"* and are as such advised to quote exact rates inclusive of all type of taxes, duties and charges as applicable. It is as such in the interest of the tenderers to check up the same from the concerned

Departments of Govt. of India as well as J&K Sales Tax Department before quoting/ tendering the rates.

During the currency of the contract or after completion and complete taking over of the work no price escalation whatsoever shall be allowed in respect of any plant or machinery or materials or wages used or employed in connection with the execution of works.

In the event of any increase ordered by Govt. of India/ J&K Govt. in any of the taxes/ statutory levies during currency of the rate contract, such increase in rates shall have to be borne by the successful tenderer/ supplier. However in case of any decrease in such taxes/levies if any ordered during the currency of the rate contract, such benefits shall have to be passed on to the Department.

- 17.** In the event of any increase ordered by Govt. of India/J&K Govt. in any of the taxes/statutory levies during currency of the rate contract, such increase in rates shall have to be borne by the successful tenderer/supplier. However in case of any decrease in such taxes/levies if any ordered during the currency of the rate contract, such benefits shall have to be passed on to the Department.

18. Testing/Inspection:

The material at site / works shall be inspected by Assistant Executive Engineer concerned, of the department and all the works shall be carried out by the firm under his strict supervision. The firm shall as such keep the department informed about arrival of material at site and about commencement of works. It shall be obligatory on the part of the firm to rectify the defects pointed out by the AEE, if any and also to incorporate any modification within the scope of work which may be deemed necessary for better performance/finish and workmanship.

A work register shall be maintained at site of work in which daily progress of work accomplished shall be recorded. Junior Engineer incharge shall record the progress and performance of the contractor besides ensuing execution of work as per specification and quality. Asstt. Ex. Engineer shall oversee the works and ensure satisfactory execution of works.

19. Insurance:

It is advised that the goods prior to dispatch be insured through a Nationalized Insurance Company upto its final destination, against all transit risks. The firm shall therefore have to take appropriate insurance policy in advance for covering the dispatch the transit of the good, charges for which shall borne by the successful tenders and shall be included in his quoted rates. The department shall pay no extra charges on these accounts.

20. Mode of Dispatch:

The supplier shall dispatch the material through a reputed road transport agency direct from dispatching station upto destination. The material shall be suitably transported for which the supplier shall take due care keeping in view the limitation for maximum size and weight.

21. Completion period:

The work shall have to be completed in all respects including obtaining of necessary report from the AEE concerned to the effect of having completed the work satisfactorily as per scope and specifications of the allotment order, within the stipulated period of **10** days from the date of issue of allotment order.

22. Terms of Payment (Subject To Availability of Funds):

Service tax and any other taxes /charges shall be deducted at source as applicable.

90% (Ninety Percent) payment along with 100% Taxes shall be released after completion of work in full after receipt of verification from the concerned AEE.

Balance 10% (Ten Percent) shall be kept in deposit and the same shall be released after 90 days / receipt of satisfactory performance certificate of the executed job from the concerned AEE.

23. Performance Guarantee:

The firm shall be bound for satisfactory performance of executed work for one complete irrigation season from the date of commissioning.

If during warranty period any malfunctioning / defect arises, the firm shall have to remove the same within a period of two days of receipt of intimation. In case of any failure on the part of the firm to remove the defect, the Department may get the defects removed / repaired by any other agency and the cost thereof shall be recovered from the firm and shall be recommended for black listing.

The EMD of the successful firm shall be retained as guarantee/ security deposit against the following:-

- a) Security for the fulfillment of the contract.
- b) Satisfactory performance of the material.
- c) Warranty against material and manufacturing defect.

24. Penalty:

In the event of firm's failing, declining, neglecting or delaying the completion of work or in the event of any damage occurring or being caused by the firm or in the event of any default or failure by the firm in complying with any of the terms and conditions of the contract, the Chief Engineer Kashmir Irrigation & Flood control Department Srinagar shall with or without prejudice to any other remedies available to it under any law for the time being enforce in the State:

- a) Terminate the contract after 30 days notice
and/or
- b) Recover the amount of loss caused by damage, failure or default, as may be determined by the department.
and/or
- c) Recover the extra cost, if any, involved in allotting contract to other party.
and/or
- d) Impose of penalty in the form of liquidated damages on account of delay beyond the schedule delivery period subject to one fourth value of contract per fortnight and not exceeding 10% value of the contract.
and/or
- e) Impose a penalty not exceeding 10% (ten) on the value of contract as Chief Engineer Kashmir Irrigation & Flood control Department Srinagar may deem fit and/or forfeit the earnest money / security deposit.

25. Force Majeure:

Any failure or commission to carry out the provision of the contract shall not give rise to any claim by the department or approved supplier one against the other if such failure of commission arises from the 'ACT OF GOD' which shall include all natural calamities such as

fires, floods, earthquake, hurricane, strikes, riots, embargoes or from any political or other reasons beyond the control of the parties including war, or a state of insurgency.

26. Arbitration:

If at any time, any question, dispute or difference whatsoever shall arise between the parties upon or in relation to or in connection with the contract, either of the parties may give the other notice in writing of the existence of such a question, dispute or difference and the same shall be referred for award to two Arbitrators, one to be nominated by the Department and the other by the approved supplier. In case of such arbitrators not agreeing then award of an Umpire to be appointed by the Arbitrators in writing before proceedings with the reference and the decision of the Arbitrators or in the event of their not agreeing of the Umpire appointed by them shall be final and binding on the parties, such a notice of the existence of any question or dispute or difference in connection with the contract shall be served by either party within 45 days (forty five days) of difference failing which all rights and claims under this contract shall be deemed to have been forfeited and absolutely barred upon every or any such reference the cost of incidentals of the reference and award respectively shall be at the discretion of the arbitrator and in the event of their not agreeing of the Umpire appointed by them who may determine the amount thereof or direct the same to be fixed as between party and party shall direct by whom to whom and in what manner the same shall be formed and paid. The revision of the J&K Arbitration Act Samvat 2002 and of the rules there under the statutory modification whereof shall be deemed to apply to the arbitration, disputes, if any regarding reference to Courts shall be subject to the jurisdiction of the J&K Courts only.

27. Specifications of Material/job:

Tenderers must quote for exact specifications and scope as given in Appendix "B" and there shall be no deviation from the approved parameters. Any deviation if deemed necessary as per site conditions in order to ensure better performance of the equipment/job may however be allowed by the supervising authority without affecting the scope of work.

The workmanship shall be of highest standard. No tools and tackles shall be provided by the department. The firm has to arrange watch and ward and storage of material at site at his own risk and cost during the execution of work and until the work is accomplished and handed over to the department in all respect.

While having submitted the tender by e-tendering method, it is understood that the tenderer is well versed with the working site/site conditions and the terrain etc. It is as such advised that the firm shall visit and inspect the site well before casting its tender.

28. Clarifications:

In respect of any clarification of the conditions/technical provisions set forth in the tender documents the tenderer(s) shall address this office in person/ writing/email as per the time schedule envisaged in the instructions to bidders.

- a) The prospective bidder /s or their designated representative, who have downloaded the bid document are invited to attend a pre-bid meeting which will take place as per date and venue given in e-tender notice-.
- b) The purpose of meeting will be to clarify issues and to answer queries on any matter that may be raised by the due date.
- c) The bidder is requested, as far as possible, to submit queries (if any) by courier or by fax/e-mail to reach the Department well in time for scheduled pre-bid meeting. It may not be practicable at

the meeting to answer queries received late, but queries and responses/clarifications will be hosted on website .

d) Any modifications of the bidding documents that may become necessary as a result of the pre bid meeting shall be made by department exclusively through the issue of an Amendment /Corrigendum / Addendum / Clarifications / etc. which shall be hosted on the concerned website.

e) Non- attendance of the pre-bid meeting will not be a cause for disqualification of the bidder.

f) Any failure by Bidder to comply with the aforesaid requirement shall not excuse the bidder, after subsequent award of contract, from performing the work in accordance with the scope of contract/agreement.

g) Bidders are requested to resolve all their clarifications/queries to the Bidding Document before due date of submission of bid. Thereafter bidders are requested to submit their bid in total compliance to Bidding Document without any deviation / stipulation / clarification / assumption.

29. Amendment of bidding document

At any time prior to the deadline for submission of bids, the Executive Engineer or his authorized representative(s) may, for any reason whether at its own initiative or in response to a clarification requested by Bidders, modify the Bidding Document by Amendments/ Corrigendum/ Addendum/ Clarifications / etc. (if any).

The Amendment shall be part of the Bidding Document. All Amendments/ Corrigendum/ Addendum/ Clarifications / etc. (if any) shall be hosted on the concerned website only and shall not be published in newspapers or sent by post/e-mail to bidders.

Bidders have to take into consideration of all such Amendments/ addendum(s)/ corrigendum(s)/ clarifications, etc. web hosted, before submitting the bid.

In order to accord bidder reasonable time to take the Amendment into account in preparing their bids, the Executive Engineer or his authorized representative(s) may, at its discretion, extend the deadline for the submission of bids. The tenders are invited on works executed at consignee's site, inclusive of all Taxes & Duties (which ever are applicable), as well as charges for Carrying, Forwarding, Transit Insurance, Handling, Loading, Unloading and Stacking etc. It is advised that the firm shall visit and look over the destination well before casting its tender.

30. Validity of Rates:

The offer should be valid for a period of one year from the date of tender opening. Such of the tenders which will not be valid for one year from the date of opening of tender shall be rejected, even if the rates offered are lowest.

The rates approved shall be firm and fixed and shall remain valid for a period of one year from the date of issue of supply order/ contract. Quantities given in the tender are tentative and may vary depending upon the requirement of the department.

In case the rates approved by any other Government Department of J&K state, for similar type of jobs for the current financial year or during the currency of the contract are found lower than the rates approved against this NIT of Irrigation & Flood Control Dept. Srinagar, in that case lower of the two rates will be applicable from the effective date of such new rates and shall be applicable in respect of quantity of material not offered for inspection till such effective date, against work orders under execution at that time as well as for further supply orders to be placed with successful tenderers against this NIT/ contract, during the currency of the contract.

The offer of the second lowest firm may be considered only in the event first overall lowest firm declines or fails to execute the order on rates finalized/ approved by the department. In the event, department feels or finds that the first lowest firm is deficient in executing complete supplies in the scheduled delivery period, the department, in the interest of government works, may consider to

divide work for placement of order among two or more firms provided the firms agree to execute work on the rates approved by the department. However, the decision of the departmental shall be final in this regard.

31. Agreement:

As soon as work order is communicated to the firm, the contract shall be complete and binding upon them, the firm shall also be required to execute an agreement with the department within seven days from the date of issue of work order which has to be returned to this office duly filled up, signed and sealed (Page wise) by the prop. or any other authorized officer of the firm witnessed by two persons and attested by the Notary. Three copies of the work order duly signed by the Prop. Or any other authorized officer of the firm in token of acceptance of work order should also accompany the agreement. Failure to execute such an agreement in time shall not however, prevent this contract from being enforced against the firm and the date of delivery of the material/completion of works shall be reckoned from the date of issue of the Allotment order in favour of successful firm.

The contract shall be deemed to have been entered into at Srinagar within ordinary civil jurisdiction of J&K Court only.

All other terms and conditions as laid down in form No.25 of P.W.D. shall remain in force and binding on successful tenderer.

NOTICE INVITING TENDER

e-NIT No. MICD/ 15 of 2015 Dated 05/11 /2015 issued vide No: 2354-60 Dated 05/11/2015
BILL OF QUANTITIES (PRICE SCHEDULE)

APPENDIX “B”

SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

For Repairs to the 1000 HP 6.6 KV HT Vertical Solid Shaft Slip Ring Induction Motor (BHEL Make) unit No. 1st and 4th with allied jobs at L.I.S Koil Stage 2nd.

S. NO.	PARTICULARS	QTY.
1	Repairs to the 1000 HP 6.6 KV HT Vertical solid shaft slip ring induction motor (BHEL make) at L.I.S Koil, Stage 2 nd . The job includes the following steps:-	
	a. Dismantling of 1000 HP 6.6 KV Vertical Solid Shaft Slip Ring induction motor by way of isolating and disconnecting all the incoming and outgoing and earthing connections. This is to be followed by draining out the oil from the bearing chamber, if any and includes detaching of the pump motor coupling, its allied parts and shifting of the motor assembly to the exit of the pump house for loading.	Two Complete Jobs
	b. Dismantling of rotor assembly from the stator. The job includes removing of motor bearings by means of special tools and tackles such as bearing pullers etc. The job is to be carried in such a way that no damage is caused to the bearings.	Two Complete Jobs
	c. Loading of the dismantled motor into a private load carrier to be arranged by the firm and shifting / transportation of the motor from site i.e L.I.S Koil 2 nd to contractors workshop and its unloading thereof.	Two Complete Jobs
	d. Cleaning up of the rotor and stator windings using Isopropyl alcohol and then drying up of the same in a special heating oven. The oven is to be maintained at a constant temperature for a period of time so that the drying process is ensured and no moisture is trapped in the windings.	Two Complete Jobs
	e. Varnishing and impregnation of the stator and rotor windings with a good quality of oven drying varnish. The job includes reheating of the windings in the oven for a period of time to ensure that varnish and impregnation process is fully complete.	Two Complete Jobs
	f. Sealing of the whole winding i.e. stator and rotor winding with Epoxy Gel to ensure no moisture should penetrate into the windings.	Two Complete Jobs
	g. Providing and fittings of the “O” Rings worn out / damaged during dismantling and providing special heavy duty , heat proof O ring sealant to ensure that there is no leakage of M Oil from the bearing chamber. Removing and replacing of damaged oil seals by means of a new one.	Two Complete Jobs
	h. Assembling of the rotor and stator assemblies along with the bearings and making of all the new connections and tapings wherever necessary.	Two Complete Jobs
	i. Loading of the motor assembly into the private load carrier arranged by the firm and shifting the same at the site of installation and its unloading at the site.	Two Complete Jobs
	j. Lifting of motor assembly and placing it on pump stool by means of O.H.T crane. The job includes proper alignment of motor with the pump, fixing of coupling and its allied parts such as coupling nut bolts and bushes.	Two Complete Jobs
	k. Providing and refilling of M Oil in the bearing chamber upto the desired level. The job includes reconnecting of all the incoming, outgoing and earthing connections and also providing of new copper thimbles inside the motor wherever required for making the new connection. The job also includes testing of motor on full load at site to the best satisfaction of the department. The motor is to be checked for leakages, optimum current, temperature of windings and vibrations.	Two Complete Jobs
	l. Providing, fitting, testing and commissioning of brushes to slip rings for 1000 HP of 6.6 KV HT VT motor having size (32x38x50mm) to unit No.1 st . The carbon brushes should be properly bolted and fitted in holders. The job also includes proper tapping to connections of slip ring with silicon HT tape.	Two Complete Jobs
