Tender Document of NIT No: E-29 of 2020-21  
Issued under No. MIDB/CC/1138-47, dated: 15-07-2020

**Annexure "A"**

**General terms and conditions**

1. For and on behalf of Lt. Governor of Jammu & Kashmir, e-tenders valid for 120 days are invited from experienced, reputed and registered firms/ genuine manufacturer/authorized distributors/dealers/workshop owners / SSI Unit holders.
    - 1.1 The bidding documents consisting of qualifying/eligibility criteria, technical specifications, general and commercial terms and conditions of contract and other details can be seen/downloaded from the website <https://jktenders.gov.in>
    - 1.2 The Cost of "Tender Document" shall be furnished in the shape of Treasury Challan / e-Challan (Annexed as annexure "D" to this document) in favour of the Executive Engineer, Mechanical Irrigation Division Baramulla and 2% of estimated cost be furnished as earnest money deposit pledged to the **Executive Engineer, Mechanical Irrigation Division Baramulla** drawn from a scheduled bank.
    - 1.3 The bids shall be submitted in electronic format on the website <https://jktenders.gov.in>. The bids uploaded on the website up to due date and time will be opened on the time and date (given in the list of important dates enclosed), in the office of the **Executive Engineer, Mechanical Irrigation Division Baramulla** in presence of the bidders who wish to attend. In case Offices happen to be closed on the scheduled date of opening due to holiday or any other reason, the bids will be opened on the next working day at the scheduled time and venue.
    - 1.4 The complete bidding process will be on line.
  2. **Submission of Tenders:**

The tenders shall be submitted on line in two covers.

    - 2.1 **First cover shall contain self-attested copies of the following documents:**
      - Tender fee towards cost of tender document in shape of **Treasury Challan** (Annexed as annexure "D" to this document) and shall reach the office after three days of last date of bid submission.
      - Bank Document in respect of Earnest money for in the shape of **CDR/FDR/BG.**
      - Goods and Services Tax (GST) Registration Certificate.
      - Manufacturing Authorization certificate of the respective job(s) in case of SSI Unit holders/Manufacturers
      - Certificate, if any, for carrying out the similar nature of job duly endorsed by the officer not less than the rank of Executive Engineer.
      - **"Technical Specifications"** as per annexure "B"
      - **"Commercial terms and conditions"** as per annexure "C".
- Note:**
- i. **The above documents shall be subject to proper scrutiny. Bids without pre qualifications shall be rejected.**
  - ii. **In case of exemptions in tender fee or EMD/SSI units need to have the relevant registration for the tendered out or similar nature of job.**
  - iii. **The bidder must submit their respective email ids and phone numbers for future communications. The communication via email shall be considered as authentic and final.**
3. **Second Cover shall contain the Price Bid/BOQ**

Tenders not submitted in two covers, containing above documents, shall be rejected out rightly.
  - 3.1 **First Cover (Prequalification)** shall be opened online in the office of the **Executive Engineer, Mechanical Irrigation Division Baramulla** after which the financial bids of qualifying bidders shall be opened on the same day.
  4. **Validity**

The tenders shall be valid for a period of **120 days** from the date of opening of First Cover.
  5. In case the Technical/Price Bid Cover of the tender could not be opened on scheduled date due to holiday or any other reason, the same will be opened on the next working day at the scheduled time and venue.
  6. Tenders received without earnest money in full shall be rejected even though such a tender may otherwise be the most favourable.
  7. The date of opening of Cover-1<sup>st</sup> shall be deemed to be the date of opening of tenders.

8. After the tenders are opened, no tenderer shall be allowed to change the equipment offered by him or the prices or terms and conditions quoted by him, unless specifically asked to do so by the Department in writing by way of clarifications.
9. The **Executive Engineer, Mechanical Irrigation Division Baramulla** reserves the right to reject, or, accept any or all tenders in part or in full, without assigning any reason thereof.
10. For any typographical error or omission in the various conditions and contents of the tender document, the interpretation as given by the Department will be final and binding upon the tenderers.
11. No telegraphic tenders shall be accepted.
12. **Interdependent tender:**  
Tenders which are dependent on the quotations of other tender shall not be entertained.
13. **Expenses for tendering:**  
The tenderer shall not be entitled to any claim towards expenses incurred incidental to the submission of the tender or subsequent evaluation/clarification thereof.
14. **Result of tender:**  
Successful tenderer will be informed about result by the Department/via email. On receipt of the written order to commence the work from the Department and on the basis of the stipulations in these tender documents, subject to the changes mutually agreed upon by the Department and the tenderer before the award of the contract, the contractor will start the work. Time taken in signing the agreement will not affect the time of completion specified for the work. No payment shall, however, be made till the agreement is executed.
15. **CLARIFICATIONS:**  
In case of any technical clarifications, suggestions, comments, set forth in the tender documents, the tenderers shall:
1. Reach to the office of the **Executive Engineer, Mechanical Irrigation Division Baramulla** for pre-bid meeting on scheduled date.
  2. Address the **Executive Engineer, Mechanical Irrigation Division Baramulla** in writing at least three days before the last date fixed for submission of tenders.
16. In case of VT pumping unit, Iron Removal Plants and AVRs, the following additional terms and conditions shall apply:
- a) The company should have experience of having successfully completed at least one similar nature of work costing not less than ₹ 4.50 Lacs during last 5 financial years. Before dispatch, the equipment shall be inspected at the works of the Manufacturer(s) by an Authorized Representative of the Department. The charges for the **inspection** shall be borne by the contractor. All relevant test manufacturers' certificates, including Inspection Certificate, performance test, Noise Control Test Certificate shall be furnished at the time of delivery of the material, without which no payment shall be released to the Firm by the Department.
  - b) The experience certificate clearly giving all details and performance report from Govt./Local Govt./Semi Govt. organization, which shall be issued by the officer not below the rank of Executive Engineer, shall be submitted.
  - c) This tender document specifies the various acceptable makes of equipment out of which the tenderer can quote any make. In case the tenderers quote various makes for the equipment, the choice of selection of make of equipment out of the quoted makes shall rest with the Department. The tender(s) of such tenderer(s) who quote outside the acceptable makes of equipment or who keep the choice of make of equipment to himself/themselves shall be rejected by the Department
- 16.1 In case of Creation of sub-station, the bidder must have **"A" Class Electrical License** and shall have to obtain relevant inspection certificate from inspection wing of PDD.
17. **Prices:**  
The prices quoted (if applicable) shall be all inclusive of inclusive of, CGST, SGST, packing, forwarding, freight (by road, transport from manufacturers works up to the site of installation), un-loading, transit insurance, toll, octroy and all other levies and taxes, whatsoever applicable.

**Note:** In case rates are found below the estimated/advertised cost, as mentioned in slab, the firm/contractor has to deposit additional amount of respective percentage in shape of CDR/FDR/Pledged to undersigned prior to issue of formal allotment order.

Upto 15%	Nil
If below 16% to 20%	3.00%
If below 21% to 25%	3.50%
If below 27% to 30%	4.00%
Beyond 31%	5.00%

**18. Subletting of work:**

The contractor shall not sublet the whole or part of the work, except where otherwise provided by the agreement. The contractor shall not assign the work or any part thereof or any benefit or any interest thereon or any claim arising out of the contract, without prior written consent of the Department.

**19. Time of completion:**

The entire equipment is to be procured/repared, tested and commissioned within **03 days** from the date of placement of order.

**20. Accommodation and other facilities:**

The contractor shall be responsible for complete watch and ward of the equipment, the installation, indoor as well as outdoor during the occurrence of the contract, which shall include maintenance of lights, guards, fencing and watching, safety and convenience of the staff, labour and general public.

**21. Staff & labour:**

The Contractor shall make his own arrangements for the engagement of all type of staff/labour for execution of the contract. No workman below the age 18 years shall be employed on the works, and the contractor shall comply with the provisions of all labour laws and rules framed there under.

**22. Accident provisions:**

The Contractor shall be responsible for any accident which may occur during the period of work, to human life. Compensation, as shall be applicable under labour law, or any other law in vogue, shall be payable to the victim by the Contractor only.

**23. Agreement:**

A formal deed of "**Agreement**", incorporating therein the terms and conditions which shall govern the Contract, will be executed by the successful tenderer with the Department within one week of the issuance of the formal Allotment Order. This written instrument of Agreement governing the contract shall, in all respects, be deemed to be, and construed to be, and shall operate as 'An Indian Contract' in conformity with laws applicable and in vogue in the State of Jammu & Kashmir, and shall be subject to the jurisdiction of the Courts in the State of Jammu & Kashmir only.

Non-execution of formal agreement shall, in no way, make the Contract ineffective/in-operative.

No payment, whatsoever, even against the work done, shall be released without drawl and acceptance of the formal agreement.

**25. Terms of payment for procurement fresh items:**

- i) 75% of payment shall be released only after receipt of material in full and verification thereof, subject to availability of funds.
- ii) 15% shall be released after installation, testing and successful commissioning at site.
- iii) Remaining 10% shall be kept in deposit and will be released after 09 months of Defective Liability Period from the date of its installation, testing and commissioning at site.
- iv) No part payment against any item shall be released.

**25. Terms of payment for repairing of equipment:**

- i) 100% of payment shall be released only after re-installation, testing and successful commissioning at site

**27. Clean up:**

The contractor shall always keep the site clean, devoid of any dirt, dust, surplus materials as per the instructions of the Departmental Supervisors/workers. The equipment and sites should be kept neat and clean for the whole period of Contract. No extra payment shall be made by the Department on this account.

**27. Consignee and payment making authority:**

The 'Consignee' and the 'Payment making Authority' for the Contract shall be **Executive Engineer, Mechanical Irrigation Division Baramulla**

Tender Document of NIT No: E- 29 of 2020-21  
Issued under No. MIDB/CC/1138-47, dated: 15-07-2020

Annexure "B"  
Technical Specifications

For S. No. 01: Repair works at Vighbal-II Lift Irrigation scheme of MISD Sopore.

S. No.	Particulars	
1.	<p>100 KVA Substation of Vighbal-II LIS</p> <p>a. Isolation the transformer from HT side by means of dropping the link set, discharging the HT cable, disconnecting the LT cable from bush rods lowering of transformer from bed, loading in private vehicle carrying up to workshop unloading it for necessary repairs at workshop. The job includes carriage of transformer to the site after carrying necessary repairs and testing on full load.[01 job]</p> <p>b. Opening the lid of transformer and draining the carbonized T-Oil discarding the LT/HT connections from LT/HT rods, taking out the assembly of tank. The job includes dismantling of core assembly and coils as well checking the damages. .[01 job]</p> <p>c. Providing &amp; fitting of 12 NO. fresh HT coils in appropriate size of aluminium wire as per sample in full. The job includes providing &amp; fitting of insulating material like HT paper, lathered, cotton tape, sleeves, varnishing of the coil and heating in the heating chamber each coil weighs 4 Kg</p> <p>d. Providing &amp; fitting of insulation material such as separators, core sheets, card boards Bakelite tubes sleeves nuts and bolts connecting bars etc.[01job]</p> <p>e. P/F of the transformer fresh T-Oil of specific grade[120litre]</p> <p>f. Old scrap involved shall be the property of Contactor and cost amount for the job shall be allotted after deduction.</p>	01 C- Job
2.	<p>Design, supply, installation, testing and commissioning of (80-100)Hp manually operated oil immersed double contact star-delta starter complete in all respects fitted with metering panel containing Ampere-meter with CT Coil and selector switch for 3- phases and phase indicators for Vighbal-II Lift Irrigation Scheme of MISD Sopore. The starter shall be provided with T. oil of specific grade</p> <p>Job includes P/F spare contact point set both movable and fixed, 02 No. trip coil and 02 No. No volt coil as spares. The job includes P/F of <b>50Sqmm</b> copper cable 10m length (approx.). Including thimbles for fitting starter. job includes p/f of 4No. gyser bolts.</p> <p>Make:- SKN-Bentex/Kilburn or like that</p>	01 No.

**Annexure "B"**  
**Technical Specifications**

**For S. No. 02: Urgent minor electrical repair works to be carried out at various Lift Irrigation Schemes of Sub-division Pattan.**

S. No.	Particulars	
1.	<p><b><u>Repairs of 50 HP manually operated Auto transformer starter at Lift Irrigation Scheme KP PAYEEN by way of:</u></b></p> <p>a. Cleaning, finishing, realignment, of contact points both fixed and movable. The job includes adjusting the gap of fixed and movable contact points while the starter is in engaged star and delta position to prevent flashing. The job also includes replacing severely eroded contact fingers wherever necessary.</p> <p>b. Repairs to the handle mechanism by way of providing and fitting of damaged tension springs, nuts and allied accessories.</p> <p>c. Providing, fabrication and fitting of auto transformer coil fabricated out of copper strip as per sample. (03 legs @ 2 kg/leg approximately= 6 kg). The job includes fitment of coils to core piece after proper cleaning, taking out soldered connections from winding. The job includes providing, fitting of insulation material, varnishing, drying of coils.</p> <p>d. Providing and filling of fresh T-oil of approved grade upto required level. The job involves dragging, loading and transportation up to workshop and back to site after repairs and testing on full load.</p>	<b>01 C-job</b>
2.	<p><b><u>Repairs of 50 HP star delta starter at Lift Irrigation Scheme at LIS Hanjiwera Payeen by way of:</u></b></p> <p>a. Providing and fitting of fixed copper contact points (complete set).</p> <p>b. Providing and fitting of movable copper contact points (complete set).</p> <p>c. Repairs to the handle mechanism by way of providing and fitting of damaged tension springs, nuts and allied accessories.</p> <p>d. Providing and fitting of magnetic trip coil 415 volt AC with plunger.</p> <p>e. Providing fitting of brass bush rods along with bush cups and insulator (03 no.)</p> <p>f. Providing and fitting of new internal connections.</p> <p>g. Providing and filling of fresh T-oil of approved grade upto required level. The job involves dragging, loading and transportation up to workshop and back to site after repairs and testing on full load.</p>	<b>01 C-job</b>
3.	<p><b><u>Repairs of the 50 HP manually operated Auto transformer starter at Lift Irrigation Scheme at LIS Singhpura by way of:</u></b></p> <p>a. Cleaning, finishing, realignment, of contact points both fixed and movable. The job includes adjusting the gap of fixed and movable contact points while the starter is in engaged star and delta position to prevent flashing. The job also includes replacing severely eroded contact fingers wherever necessary.</p> <p>b. Repairs to the handle mechanism by way of providing and fitting of damaged tension springs, nuts and allied accessories.</p> <p>c. The job includes cleaning , retapping, varnishing and drying of ATS coils.</p> <p>d. Providing and fitting of new internal connections.</p> <p>e. Providing and filling of fresh T-oil of approved grade upto required level. The job involves dragging, loading and transportation up to workshop and back to site after repairs and testing on full load.</p>	<b>01 C-job</b>
4.	<p><b><u>Repairs of the 40 HP manually operated Auto transformer starter at Lift Irrigation Scheme at LIS KP Bala Old by way of:</u></b></p> <p>a. Cleaning, finishing, realignment, of contact points both fixed and movable. The job includes adjusting the gap of fixed and movable contact points while the starter is in engaged star and delta position to prevent flashing. The job also includes replacing severely eroded contact fingers wherever necessary.</p> <p>b. The job includes cleaning , retapping, varnishing and drying of ATS coils.</p> <p>c. Providing and filling of fresh T-oil of approved grade upto required level.</p>	<b>01 C-job</b>

	The job involves dragging, loading and transportation up to workshop and back to site after repairs and testing on full load.	
5.	<p><b><u>Repairs of the 40 HP manually operated Auto transformer starter at Lift Irrigation Scheme at LIS Singhpora by way of:</u></b></p> <p>a. Cleaning, finishing, realignment, of contact points both fixed and movable. The job includes adjusting the gap of fixed and movable contact points while the starter is in engaged star and delta position to prevent flashing. The job also includes replacing severely eroded contact fingers wherever necessary.</p> <p>b. The job includes cleaning , retapping, varnishing and drying of ATS coils.</p> <p>c. For S. No. 04: 11 KVA HT LINE TAPPING AND POLE MOUNTING OF 100 KVA ELECTRIC SUB STATION AT LIFT IRRIGATION/DEWATERING SCHEME WAZIRGUND.

S. No.	Particulars	
1.	Fabrication, erection, testing and commissioning of 9m long MS tubular poles [410-SP28) as per IS:2713 [Part-II-1980 ]with latest amendments swaged at 5m and 7m from the bottom to from 5m bottom section, 2m middle section and 2m top section. The plantation depth shall be 1.5m as per the IS code to be grouted in M20 cement concrete mix. The job includes the cost of guy wire and guy insulators as per the site requirement. A base plate made out of MS and of size 300mmx300mmx10mm shall be welded continuously at the pole bottom. Provision for terminating the earth wire coming from the earthing station shall be made for the pole at a height of 3.0m from the pole bottom with 16mm dia, 50mm long GI bolt and GI washers wherever necessary. The poles shall be subjected to surface treatment with wire brushing and cleaning prior to painting with one coat of red oxide and two coats of black bituminous paint upto 2.5 mtr. height and for remaining portion with aluminium paint of two coats.	02 job
2.	Providing and fitting of ISMC 75 channels (05 no.) having length 8 feet each for installing link set, dropout set, HT pin insulators. The job also includes making drilling of holes corresponding to fitment of HT gadgets, providing and fitting nuts, bolts, washers as per site requirement.	85 kg
3.	Providing and fitting of ISMC 100 channels (02) no. having length 8 feet each for resting 100 KVA HT/LT transformer. The job also involves providing GI clamps, nuts and bolts for fastening of channels to poles.	47 kg
4.	Providing, fitting of 11 KVA heavy duty link set of reputed make.	01 job
5.	Providing, fitting of 11 KVA heavy drop-out set of reputed make.	01 job
6.	Providing, fitting of 11 KV HT pin insulators with nuts to be fitted on cross arms	03 job
