 - g) Nothing shall be paid on account of dewatering, diversion or construction of ring bund quantities executed in or under water, making of tracks, ramps and removal of the same after completion even if involved at site. The contractor shall quote their rates accordingly.
 - h) Drawl of Agreement within 10 days after fixation of contract.
 - i) Production of original documents necessary for verification on declaration of the lowest bidder by or before 07 days of the opening of Price Bid/generation of comparative statement.
- 11) **Material:** -
 - a) In case of non-availability of stocks in divisional stores the contractor may purchase the required material of quality and specifications prescribed, to be certified by Engineer in charge after getting non availability certificate from Executive Engineer and shall not be entitled for any type of excessive rates on this account. 13) Qualification criteria for the work and other terms and conditions are as below: -
 - a) All bidders shall include the following information and documents with their bids G.S.T No./ PAN No/Regd. Card duly renewed for the current year.
 - b) If the bidder does not quote rate for any item of the BOQ, such item/items shall be deemed to be part of the overall/ total contract value and no rate shall be allowed for such item/ items.
 - c) The date of start of the work shall be reckoned with in 7th day from the date of issuance of LOI/ contract allotment as the case may be.
 - d) Restoration of work: - On completion of contract the contractor shall be responsible to remove all un-used material and restore all work in its original position at his own cost, any damage if caused during execution of work shall be restored by the contractor at his own cost.
 - e) The contractor has to manage housing for labours, electricity, water storage for material, watch and ward and other facilities at his own.
 - f) Arbitration: The Arbitration and conciliation Act-1996 shall be deemed to apply to the arbitration, disputes, if any regarding reference to Courts shall be subject to the jurisdiction of the J&K Courts only.
 - g) Defect Liability Period (DLP): The contractor should be responsible to maintain the work within a defective liability period of Six (06) months.
 - h) Safety: The contractor shall be responsible for safety of all activities at site of work during execution. i) Termination: The employer may terminate the contract if the contractor causes any fundamental breach of the contract, which shall include stoppage of work without any reason.
 - i) The Deptt.reserves the right to reduce the actual quantum of work to suit actual site conditions coupled with availability of funds and no claim on this account shall be entertained.

- 17) The tender receiving authority reserves the right to accept or reject any tender or all tenders without assigning any reason thereof.
- 18) Insurance: - Insurance cover to labour / Machinery/ Work/ Plant/ Material/ Equipment by the contractor shall be mandatory
- 19) Since the quantities reflected in the BOQ are tentative / unforeseen and execution should depend upon the actual quantity/ exigency of situation and apprehension of no work or part thereof cannot be ruled out and no claim on this account shall be entertained
- 20) **Time Extension: -**
- The work to be completed within the limit specified in the NIT and the time of completion will also increase/ decrease in proportion with additional/ deleted quantum of work depending upon the actual quantum of work.
 - Request for extension of time shall be made by the contractor in writing not later than fifteen days of happening of the event causing delay. The contractor shall also indicate in such a request the period for which extension is desired.
 - Abnormal/ bad weather or serious loss of damage by fire or civil commotion, strike or lockout (other than among the labour engaged by the contractor) affecting any or the trades employed on the work or Non availability of departmental stores. Any other cause which in the absolute discretion of the accepting authority is beyond the contractor's desire.
 - On contractor's representation based on the grounds as details above the time for completion of the work may be extended by a period considered reasonable by the department.
- 21) **Fundamental breach of contract will include: -**
- Continuous stopping of work for a period of 30 days without authorization of Engr in-charge.
 - Contractor being declared bankrupt.
 - Any evidence of involvement of contractor in corrupt practices.
 - Contractor delaying the completion of work beyond stipulated time of completion
 - Pursuant to the process of termination of defaulted contract, the employer reserves the right to invite fresh tenders for the balance work at the risk and cost of defaulter contractor.
 - If contractor fails to start/complete the work, within the stipulated time period, he shall be debarred from taking works in the department at least for 01 year and the work shall be put to fresh tenders on his risk, cost and responsibility, besides action as warranted under contract rules shall be initiated against the defaulting contractor.
- 22) Penalty for Delay on account of Contractor: in case of delay not justified & caused due to the faults of the Contractor a penalty upto maximum of 10% of the contract value will be imposed. All other terms and conditions as laid down in the PWD Form 25 Double shall also remain in force.
- 23) **The deptt.material shall be issued to the contractors if available as per prevalent stock issue rates otherwise same has to be purchased by the contractors from open market as per lowest market rate in terms of set procedure/ rules in vogue for timely completion of works**
- 24) All other terms and conditions shall be same as are laid down in detailed general NIT and in PWD Form 25/33 double Agreement Form
- 25) **Other details can be seen in the bidding documents.**
